Two months Foundation coaching and career guidance programme was carried out by the Gurus career academy Rohru for the students of GC Seema w.e.f.1<sup>st</sup> September,2023 to 8<sup>th</sup> November,2023. This programme was organized by Career Counselling and placement cell of the College under Swaran Jayanti Utkrisht Mahavidyalaya Yojana(SJUMVY)- 2022. A brief report of the programme is as under:

1. The inaugural session of the coaching programme was held on 1<sup>st</sup> September,2023 which was chaired by Prof. Harish Sanjta, Principal (Incharge) and attended by all the members of Career counselling and placement cell. About 250 students of different faculties attended this inaugural session.
2. The Closing of the Programme was done on 8<sup>th</sup> November, 2023 by Dr. Bhupinder Singh Thakur, Principal, G C Seema and attended by Sr. faculty member Prof. Harish Sanjta along with members of the career counselling cell. About 200 students of the college comprising of the two batches of students attended this closing session.
3. The coaching and career counselling sessions were held simultaneously for two batches of students i.e. one for day scholars and other for the hostel boarders was organized and conducted during the last two working days of the week on Friday and Saturday during September and all days during the second half of October and first half of November.

5. The List of students those enrolled for the coaching programme is given in Annexure-II. A pre-entry survey for them was held on the first day i.e. on 2<sup>nd</sup> September,2023. A brief report of this survey is presented as under:

**Summary of Pre-entry Survey of students, September-2023**

1. Total no. of students surveyed =151. Girls = 106 Boys= 45
2. Class wise distribution of surveyed students:  
TDC-I =        TDC-II        TDC=III
3. Distribution of students according to their Career aim/goals

Sr. No	Career Goal/Profession	No. of students			% age
		Total	Girls	Boys	
1.	Assistant Professors	36	32	04	24.0
2.	Teachers(School level)	25	23	02	17.0
3.	Civil Services(IAS/HAS)	14	08	06	9.0
4.	Police officers	14	12	02	9.0
5.	Army	10	01	09	7.0
6.	Bankers	04	03	01

10.	Yet to decide	40	22	18	27.0
	<b>Total</b>	<b>151</b>	<b>106</b>	<b>45</b>	<b>100.0</b>

The above data shows that a large majority of students i.e 27% are still undecided about their careers. Among those students who have selected their career options, majority of them wants to become teachers(About 41 %),followed by police and army officers(18%).Since the sample constituted mainly of girls students(70%),it can be observed that career options stand already decided by majority of them.

## 2. Recommendations:

1. On the basis of our experience of coaching and counselling and also on the basis of pre-entry survey results, it is very important and imperative to educate students about their goals and aims and also aware them about various career options available during graduation and after graduation.
2. Regular counselling sessions for the students are needed to be organized by career and counselling cell either through faculty available in the college or inviting guest faculty from outside.
3. Inter class and intra class quiz competition be organized on monthly basis for the students to evoke their interest in General knowledge and its importance in all type of future competitive examinations.
4. Attending guest lectures and career counselling sessions be made compulsory for the college students which at present are optional. This makes the career counselling session only a mere formality and the actual benefit of Resource faculty and resources cannot be made.
5. Career counselling and placement cell of the college be strengthened and made fully functional and an outline of the activities to be taken up by the cell be during the academic session be given in the College Prospectus itself so that its importance is automatically gets known to the students.
6. Guest lecturers of the achievers of the college in various services, professions and occupations are organized for the students from time of time so that the students get to know the practical insight in to various careers they wish to pursue on the basis of experience shared by such invited achievers.
7. The duration of the course should be at least one month or more and be organized on regular basis every day and a slot of it should be mentioned in the time table.
