Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

VISION

- To be a leading institute of the region for academic excellence geared towards meeting societal needs and to produce globally competitive graduates of sound ethical standing.
- To be an institute capable of *Equipping students with Skill, Knowledge, Wisdom, Technology, Values, and Character to lead their lives in a righteous and responsible manner.*
- To contribute to the transformation of society through education, awareness, creativity, research and innovation and to provide an affordable, accessible, and accountable higher education.

MISSION

- To provide ideal environment for higher learning to the students belonging to the majority rural area which is a little socially, economically and educationally backward and falls in border area of Shimla district.
- Encourage co-curricular and extra-curricular activities to provide students a practical orientation and help them in developing a holistic and all-inclusive approach, with a widened outlook and broader understanding of life.

6.2 Does the Institution has a management Information System

Yes

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

We do not have the freedom to frame the curriculum. The affiliating university frame the curriculum and we implement the same. Some of the teachers are active member of Board of Studies(BOS) of the university. They give their inputs for framing the curriculum.

6.3.2 Teaching and Learning

Conventional as well as ICT based modern methods of teaching and learning are adopted and it is basically student centric.

6.3.3 Examination and Evaluation

Examination and House Tests are conducted strictly as per the university norms and the performance of the students is evaluated on the basis of marks obtained in house test, class test, assignments, attendance and the annual examination conducted by University.

6.3.4 Research and Development

Teachers are encouraged to carry out research activities as per their area of interest and local issues, they are also encouraged to participate in various conferences, seminars and symposiums etc. Orientations and refresher courses are also attended by the faculty members. Seminars/Interactive sessions are also organised in the college on various relevant topics and issues. Teacher gives assignments to students on diverse topics.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library has 19271 reference and text books on diverse topic and field. The college library has regular subscription of 24 magazine, 27 journals, one e- Journal Subscription and 7 news papers and subscription and access to INFLIBNET. 102 computers with Internet facilities have strengthened the institutional development.

6.3.6 Human Resource Management

Students have enrolled in NSS, NCC and Rangers and Rovers to carry out various social service and extension activities. Trainings, workshops, seminars are conducted at regular interval including the ' Hands on Session' in ICT and computer application to teaching and non teaching staff.

6.3.7 Faculty and Staff recruitment

Recruitment of faculty is done by the Govt. of Himachal Pradesh through HP Public Service Commission. Recruitments are also made through PTA budget (Grant in aid)

6.3.8 Industry Interaction / Collaboration

Collaboration with TERI, KFC Rohru, Fishery Deptt., Rajiv Gandhi National Institute of Rural Development Chandigarh, Pro-wisdom Gurgaon Haryana New Delhi. The Students of Commerce Department are engaged with local industries to enhance their management skills.

No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

75 % attendance and securing of 35% marks in aggregate house examination is compulsory in order to qualify the eligibility criteria to appear in the term end university examination. There exists provision of external paper setter, external examiner and external evaluator in the annual university examinations so as to ensure free and fair evaluation of the students.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

Our institution is a govt run institution so there is no scope for autonomy.

6.11 Activities and support from the Alumni Association

Meetings and interactive sessions are held with the Alumnae time to time. Suggestions are sought from the association relating to the various developmental activities. The association provide its support in organising cultural programmes and also sponsor prizes.

6.12 Activities and support from the Parent – Teacher Association

College Parent-teacher Association (PTA) is one of the most important components of the college. It plays a vital role in various developmental activities and in releasing funds for part-time faculty and to develop infrastructure to create facilities to student's for better learning.

6.13 Development programmes for support staff

ICT based training in computer applications, general motivation, residential facilities, recreational and sports facilities are provided. They are oriented as per the norms of the Himachal Pradesh Government.

6.14 Initiatives taken by the institution to make the campus eco-friendly

To make the campus eco-friendly necessary initiatives like polythene free campus, tree plantation and proper waste disposal are taken. Smoking in the college premises is strictly prohibited and the seasonal flowers are grown for the campus beautification. Various ornamental indoor plants have also been planted in the corridors of the Science and Arts blocks and in the Botany department.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Internet facilities were made available to the students through newly established computer lab and up gradation of existing computer Lab. Students were encouraged to update their subject knowledge through ICT and internet recourses. They were also getting information regarding their opportunities through internet facilities. Group discussion, seminar were organised and extensive use of LCD projector, PPT etc. was introduced with smart class rooms.

New dress code in the form of blazers with college logo was introduced and it was made compulsory to all the students twice in the week and during college functions.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Conference Hall was equipped with world class ICT facilities e.g. digital podium, LCD projector, interactive board. Auditorium cum library block with seating capacity of 1000 in Auditorium and spacious library was inaugurated. Computers have been installed in library and automation of Library is in progress. All laboratories have been equipped with projectors and visualiser and three rooms converted into smart class rooms. Foundation stone of multi storey administrative block was laid down, land for multipurpose sports stadium has been selected and acquisition process is going on. Two inter college events viz. volleyball championship(Men) and youth festival group-III (folk dance) was organised successfully. A lot of initiatives were taken for campus beautification with plantation of trees and ornamental plants. In the Library 2350 new books/ references were added.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

1. Contribution of NSS in college functioning.
2. Use of Computer and ICT facilities in teaching and learning.

****Provide the details in annexure (annexure need to be numbered as i, ii,iii)***

7.4 Contribution to environmental awareness / protection

Institute is committed to the protection of the fragile ecology and environment of this Himalayan region. under tree plantation 500 trees were planted in local panchyat Seema(Rantari)during block level 'Van Mahotsav' organised by forest department in which 300 students including NSS volunteers, NCC cadets, rangers and rovers participated.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength: Well qualified and experienced faculty. Eco Friendly, peaceful environment suitable for higher education and better results. Well furnished Science Block and well equipped laboratories. Extra ordinary achievements in sports and cultural activities.

Weakness: Lack of transportation and hostel facility for student from remote area. Lack of class rooms as per the new CBCS requirements.

Opportunities: Wide scope to start the courses like management, Tourism, Computer Application, IT and other career oriented Add-on courses.

Challenges: Majority of the students hail from remote and rural area who lack exposure to the modern and latest trends in education. Their elementary /secondary education is not of good quality so extra efforts have to be made by teacher to clear their doubts. Students spare find minimum time for self study as they have to travel from far flung areas and moreover they remain occupied in domestic affairs.

8. Plans of institution for next year

Plan to convert maximum number of rooms into smart class rooms with advanced ICT facilities like Digital Podium, Projector, Visualizer, interactive board, LED screen, computers and increase number of text as well as reference books and journals in library. We intend to provide computer with Wi-Fi facilities and separate cabin to each faculties. In order to provide better facilities to our students we intend to negotiate local people to acquire land for multipurpose stadium. In order to encourage our students and establish linkage with community, we intend that the local people of the area sponsor some prize in annual prize distribution function. Career oriented programmers/seminars would continue in bigger way in the campus for the students. Plan to organized youth festival as well as inter college sports championship. Plan to install solar geyser and solar light in the college and hostel.

Annexure – II

Best Practice No.1. Contribution of College National Service Scheme (NSS)
Best Practice No.2. Use of ICT and other teaching aids in teaching & learning

Practice#1

1. Title of the Practice

Contribution of College NSS in accomplishment of various programmes of the college

2. Goal

To involvement of the NSS volunteers in almost all activities of the college and to inculcate the sense of participation, responsibility and respect for the community work amongst students for college development and nation building.

3. The Context

A number of functions were organized throughout the year in the campus and outside the campus as extension activities for campus and community development. The successful accomplishment of such programmes requires a workforce full of dedication, devotion and discipline and the first name that comes to the mind is none other than NSS. The volunteers of NSS are versatile workers and are capable of working under any committee formed by the college authority. Besides two mega events of inter-college volley ball(Men) and inter-college group III (folk dance), a number of inauguration programmes and Block level tree plantation programmes were organized by the college wherein the services of NSS were sought.

4. The Practice

A strong team of 300 NSS volunteers enrolled in Unit –I & Unit-II led by two Programme officers who in turn are supported by office bearers of two units and group leaders executes the goals of the college for the year. Different groups led by a boy and a girl leader are assigned different duties under different committees comprising of teaching and non-teaching members of the college e.g. discipline committee, refreshment committee, stage decoration committee, reception committee, accommodation committee, prize distribution committee etc. Working of each volunteer is overseen by their group leaders whereas those of the group leader and whole group by the Presidents and same is conveyed to the respective Programme officer of the unit. All volunteer also work in coordination with the respective committee for the successful accomplishment of the task assigned to each committee.

5. Evidence of Success

- Successful accomplishment of two mega events of the college wherein the NSS played crucial role the same was acknowledged by the different committees incharges.
- Leading role played in Block level-Van Mohotsav in which 500 trees of *deodar* were planted in forest land the same was appreciated by the local MLA and DFO.
- Awareness activities on diverse issues and community work in the adopted villages was also appreciated by the Local Panchayat President.
-

6. Problems Encountered and Resources Required

- Lack of Funds as only two units are accommodating the strength of 300 volunteers against the provision of 200.

Practice#2

1. Title of the Practice

Extensive use of ICT and other teaching aids in teaching & learning methodology.

2. Goal

To ensure the successful implementation of newly introduced CBCS under RUSA wherein a number of new courses are opted by the students and the technological intervention has become unavoidable for making teaching & learning interesting and effective as well.

3. The Context

The use of ICT and computer based teaching aid has become the need of the hour. But due to the introduction of CBCS under RUSA it assumes a paramount importance. This not only has eased the burden of the teachers but has also maintained the interest of the students where they have to attend a number of lectures daily. So the introduction of such practice in teaching and learning has become indispensable and the need was being felt since last two years.

4. The Practice

Three class rooms and five laboratories have been upgraded and made as effective smart class rooms and labs equipped with LCD & OHP projectors, digital podiums, interactive boards & pads and visualiser. Conference Hall has also been upgraded with the mentioned facilities to fill the gap which was there for two three years. The teacher are making best possible use of the facilities wherever required.

5. Evidence of Success

- Students find teaching more interesting
- Teachers feel relaxed at bit
- More results are awaited in sessions to come

6. Problems Encountered and Resources Required

- Lack of staff and fund for maintenance and up keep of such facilities
