GOVERNMENT COLLEGE SEEMA-ROHRU

DISTT. SHIMLA 171207

ANNUAL REPORT 2020-21

ABOUT THE JOURNEY OF COLLEGE

Located in the idyllic and enticing Pabbar valley, facing the mighty Chanshal peak, Government P. G. College Seema has served as an institution that shapes the future and direct aspirations of the pupils toward successful careers and higher goals of life. This academic institution unites the two different streams of thought in its approach towards education: the traditional wisdom of the past and the modern contemporary rational knowledge of the day. Since the inception of the college with **16 students** in the **year 1988**, the onward journey of the college towards imparting knowledge to the local youth and raising standards of excellence in higher education has been praiseworthy. The institution has nurtured a significant number of young minds and at present, there are approximately **2000** students enrolled in different disciplines. Besides academics, the college as a progressive institution has shown exceptional commitment towards harmonious all-round development of its students.

The teaching faculty and other official staff of the college is fully devoted towards sharpening and polishing personality of students in academic, technological, physical, aesthetic, spiritual, social and cultural aspects of life. In the path of fulfillment of its aspirations, the college has never compromised with its socio-cultural ethics while enthusiastically striving towards modern scientific and technological advancements. We have been consistently dedicated to provide appropriate facilities and a quality and productive work, study and learning environment to students. It has yielded successful results and provided the society with brilliant scholars, researchers, teachers, sportspersons, bankers and administrators. The Govt. P.G. College Seema dynamically works towards its motto- "Bringing Transformation through Education" and this year also promises to serve in a manner that is productive, efficient and consistent with the college vision.

THE COLLEGE EMBLEM

- An Open Book with the Rising Sun symbolizes that education results in "Enlightenment" and "Empowerment". It reflects education as a shining sun that

kindles the essential goodness in us and fills the world with its glow. It leads a person from darkness of ignorance to light of knowledge, from vices to virtues, and from imperfection to perfection.

OUR MOTTO AND PHILOSOPHY:

Our motto is: “Bringing Transformation through Education.” Knowledge alone can liberate, transform and elevate mankind. Knowledge is the ultimate power that helps us to shake the shackles of Ignorance and be free. Every individual has the ability to attain excellence through knowledge and with knowledge one can become a professional graduate capable of developing knowledge, self, society and nation.

OUR VISION:

- ❑ To be a leading institute of the region for academic excellence geared towards meeting societal needs and to produce globally competitive graduates of sound ethical standing.
- ❑ To become an institute with difference, this shall continuously strive to materialize a “quantum jump” in achieving the triple objectives of access and expansion, equity and inclusion, and quality and excellence.
- ❑ To be an institute capable of *Equipping students with Skill, Knowledge, Wisdom, Technology, Values, and Character to lead their lives in a righteous and responsible manner.*
- ❑ To be the nationally known institute with *world class facilities* capable of bringing transformation through education in the society and also to be responsive to the changing global trends.
- ❑ To produce graduates who are worthy in character and sound judgment.
- ❑ To expand the frontiers of knowledge through the provision of excellent conditions for teaching, learning, research and extension activities.
- ❑ To contribute to the transformation of society through education, awareness, creativity, research and innovation.
- ❑ To provide an affordable, accessible, and accountable higher education.
- ❑ To teach students the changing social values while not forgetting the traditional values.
- ❑ To encourage co-curricular and extra-curricular activities to provide students a practical orientation and help them in developing a holistic and all-inclusive approach, with a widened outlook and broader understanding of life.
- ❑ Promoting research activities.

- ❑ Linking Higher Education to Society by strengthening college's close linkages with the society and fostering social responsibility and engaging in community outreach programmes.

OUR VALUES:

- ❑ Leadership, administration and teachings with humane touch at various levels.
- ❑ Integrity, transparency and openness in all our actions.
- ❑ Innovation, perseverance and pursuit of excellence in education, character building and personality development of students.
- ❑ Addressing the needs of students through various initiatives.
- ❑ Striving continuously to improve our processes and quality of deliverables.
- ❑ Respect for the environment and commitment to protect, preserve and conserve the nature and healthy culture of the area.
- ❑ Inspiring learning and broadening perspectives.
- ❑ Achieving goals, pursuing excellence and celebrating achievements.
- ❑ Working as a team to fulfill objectives and achieve goals
- ❑ Student focus, strong work ethics, striving for excellence, respect for all and social development are core values of our institution.

NAAC REACCREDITATION

All the untiring and relentless hard work, commitment and devotion of the previous years has been awarded with **B++** accreditation to the college, making the institution among the few selected colleges in the state to boast of such honour.

BRIEF OVERVIEW OF THE COLLEGE:

A) EDUCATIONAL FACILITIES AND COURSES OFFERED

1. UNDERGRADUATE LEVEL

Rashtriya Uchcharat Shiksha Abhiyan (RUSA)

The Choice Based Credit System (CBCS) and semester system have been introduced from the academic session 2013-2014 by the State Government under RUSA. The main feature of the CBCS is to make undergraduate education student centric and prepare them to compete locally, regionally, nationally as well as globally. Within CBCS, students have complete freedom to choose their subjects from a pool of subjects suggested by the UGC. As CBCS strives to create a holistic syllabus, therefore from the session 2016-2017, in addition to dedicated focus on a discipline through core paper, elective papers have been added. Besides, keeping in line with the vision of the Government, special emphasis has been given to Ability Enhancement Compulsory Courses and Skill Enhancement Courses.

From the session 2019-20 the college also started a new bachelor degree course in **Business Administration**.

2. POST-GRADUATE LEVEL

The College provides Post-graduation in English, Political Science, Hindi, Economics, Commerce and History. The strength has not only increased but also has given good results. Besides it, the self-financing course under the faculty of **PGDCA** is also operational in this College.

3. ADD-ON COURSES

Keeping in mind the cut-throat competitive scenario in employment sector, the college has been successfully running **four “Add-on Courses”** in

- **Functional English**
- **Fashion Designing**
- **Marketing Management**
- **Tourism and Travel Management.**

These future-oriented and skill-based courses inculcate the virtues of self-confidence and competitive spirit which are definitely going to help our students to have an edge over the others.

B) INFRASTRUCTURAL FACILITIES

We have upgraded our infrastructure and are constantly in process of doing the same, so that our students find themselves second to none as far as exposure and modern facilities that supplement education are concerned. Our achievements include:

a) AUDITORIUM-cum-LIBRARY

The college is proud to own a spacious and well-equipped Auditorium-cum-library. While the high-tech auditorium provides a first-class venue to harvest the talent of our students, the well-equipped modern Library serves as a treasure-house of knowledge. The auditorium can house an audience upto 1000 people and is designed for multi-purpose use, from hosting programmes of academic importance to cultural activities, in addition to various competitions and multifarious entertainment.

The “Modern Library” is fully equipped with advanced technology. It has nearly **20,000 books** in total, out of which 14772 books include text books and reference books and 7917 books are in community section. It also has an **e-resource centre**.

b) ARTS AND SCIENCE BLOCKS

There are separate blocks for Art and Science faculties of the college. The Science Block has 6 spacious Halls and 6 laboratories for conducting theory and practical classes. The science Block also houses the Departments of Geography, English and Music. Apart from the 10 smart class rooms that have been constructed in the Arts Block; it includes two IT Labs, Staff Room, NSS ,NCC and Sports Rooms; the Conference Hall and the Office of IGNOU Study Center. The classes of Commerce section are also held in this block.

c) Administrative block -cum- Examination Hall:

The newly constructed administrative block -cum- multipurpose hall was inaugurated and ceremonially handed over to Govt. College Seema on 25th Nov. 2018. It has given a tremendous space to the college for conducting classes, examinations and miscellaneous activities, besides administrative work.

d) HOSTELS (Boys and Girls)

There are two hostels in the college that provide boarding facilities to the meritorious and deserving students. Both the hostels are equipped with Water Purifiers, Solar-heating Systems, Sick Rooms, Guest Room and Reading Room.

e) COMPUTER LAB

Computers form an essential feature and component in the modern world and their role in imparting knowledge and transforming lives of people, especially of students cannot be ignored. Thus, keeping in pace with the hi-tech and competitive world, the college is equipped with **100 computers** of which **60 computers** are installed in the **two computer labs**. One of these labs is a multi-purpose lab that is being used as **Language Lab, Aptitude Lab and Career and Counselling Lab**. These labs are also provided with **over-head projectors** and **ten broad-band connections**. In addition to this, the college has a computer lab funded by UGC having **ten computers** and **ten broad band** connections. Besides IT department, students from various faculties are being benefitted by the Computer Labs.

f) COFERENCE HALL

To hold the meetings of the Staff Council, and to organize Conferences and Seminars, the college has a well-furnished conference hall.

g) CANTEEN

The college canteen is a place of refreshment for the college staff as well as students. It offers a great variety of food items and snacks at nominal prices.

h) PLAYGROUND

The vast playground of the college provides for organizing various outdoor games like Volleyball, Kabbadi, Cricket, Athletics, etc.

i) GYMNASIUM

Keeping in mind the fitness in this hectic and stressful era, the college provides free of cost gymnasium facility to the students and the college staff.

j) BIO-TOILETS

There are 6 eco-friendly bio-toilets in the college, besides the conventional toilets.

C) OTHER FACILITIES

- Facility of **Wi-Fi, INFLIBNET, Biometric Machine** and **CCTV**.
- Installed **Water Purifiers** and **Coolers**.
- Adopting modern technology in education, the college has set up an **E- Resource Center** in the library, **5 computer labs** and **10 Smart Class Rooms**.

D) UNIQUE FEATURES AND BEST PRACTICES

- GPGC Seema offers **admission through online mode** and this proved to be tremendously helpful to students and staff during the pandemic.
- College holds the distinction among the state colleges to have its own **Mahavidyalaya gaan:** “Jai Jai Jai ho Seema Mahavidyalaya” which is sung on every important occasion.
- College holds distinction for being shortlisted for the star scheme of SERB, Govt of India.
- During the pandemic the college staff explored various online modes to communicate with and impart education to the students.
- During this session the college purchased an astronomical telescope worth Rs. 55,600.

STAFF STRENGTH AND VACANCIES

The college has an outstanding staff that works whole-heartedly for the betterment and well-being of the students. The table given contains detailed information about staff in the college:

Staff Position in Govt. College Seema (Rohru) as on 31-02-2021

IGNOU STUDY CENTER

In our College, we have an IGNOU study centre, which is providing education to near about 190 **students**. This study centre came into existence in the year 2000. Assoct. Prof. B. S. Pirta is the coordinator of this study center. This center is providing different courses to the students such as Bachelor Degree Programme for 10+2 students, Bachelor Degree Programme in Arts and Commerce, Certificate Course in Computing, Tourism, Environmental Studies, Disaster Management, Forest Management, Diploma in Food and Nutrition, Diploma in Child Care, Diploma in Nutrition and Health Education, Certificate Course in Creative Writing in English and Hindi, Post Graduate Diploma in Rural Development and Certificate Course in Human Rights, Labour Development and Consumer Protection, Post Graduate Degree in English, Hindi, Political Science and Public Administration.

COLLEGE MAGAZINE – MORAAAL DAND

Our College magazine, 'Moraal Dand' offers students an opportunity for creativity and self-expression every year. It presents articles on diverse topics and the students strive within magazine pages to upload the long term goals and mission of this college, and to inspire and educate the readers about issues and ideas that matter to them.

ACHIEVEMENTS IN ACADEMICS AND CO-CURRICULAR ACTIVITIES

ACADEMICS

Annual Results for the session 2019-20:

Our results are showing an upward trend with every progressive year. The class wise (**Pass %**) result of the Annual Examination for the session 2019-20 is as under:

Class	Session 2019-20
BA VI Sem	94.35%
B.Sc. VI Sem	95.12%
B.Com VI Sem	93.44%
BCA VI Sem	62.5%
MA ENGLISH	50%
MA POL.SCI.	83.33%
MA HISTORY	30%
MA ECONOMICS	60%
MA HINDI	69%
M.COM	62.5%
PGDCA	55.72%

However, in the overall scenario, in final semester exams, 661 students appeared out of which 593 passed, which gives a pass percentage of 89.71. Along with this the college students who are enrolled under CBCS of RUSA have fetched good grades in their respective courses.

ECONOMIC OVERVIEW

Being a government institution, welfare of the public becomes the driving force behind economic orientation of the college. Economic profit is in no way the watchword for our institution, but it cannot be ignored that any educational institution runs on finances, without which the functioning of structural machinery is paralyzed. In the same vein, it also earns through token sum in lieu of its services. Below is given a general budgetary overview of revenue and expenditure of the college.

INCOME

Sr No	Item	Amount
1.	Central grants	0
2.	State Government (Salary, Allowances & Retirement Benefits)	35115040
3.	University grants (evaluation & examination process)	1769183
4.	Local Bodies grants	1732672
5.	Donations	0
6.	Tuition Fees (only from boys)	476273
7.	Interests	948823
8.	Sale of prospectus	195010
9.	Other Income	6403167
	Total	46640168

EXPENDITURE

Sr No	Item	Amount
1.	Salary, Allowances & Retirement Benefits	34462618
2.	Buildings (Construction and Maintenance)	349754
3.	Library & Laboratory	346485
4.	Scholarships	663100
5.	Other Expenses	12084657
	Total	47906614

Along with this the college has received financial assistance of Rs. One Crore under RUSA 2.0 for implementation of various upgradation and renovation projects. Out of this the college has spent Rs. 9451821/- till date. An amount of Rs. 1087000/- has been utilized on the rainwater harvesting project and Rs 973666/- is used for procuring books for the college library. A major proportion of the amount was utilized for acquiring solar panels, visible spectrophotometer, digital teaching devices and seed germinator along with some other articles of utility.

- Presented paper in a multidisciplinary international conference on HOW CAN INDIA BECOME A WORLD LEADER AGAIN at Govt. College, Seema from 25/12/2020 to 27/12/2020
- Presented paper in a multidisciplinary international conference on NEED OF DISASTER MANAGEMENT POLICY OF HP at Govt. College Seema from 25/12/2020 to 27/12/2020

Dr. Vandana Sharma

Attended two days National webinar on NAAC ASSESSMENT AND ACCREDITATION: AN OVERVIEW on 28th April and 29th April 2021.

Attended one-day National Seminar on “NEP-2020” on 24th September organized by Govt. PG College Seema.

Attended One-week workshop on “Digital Literacy for Women cell” organized by Govt. PG College Seema w.e.f 1st to 6th March 2021.

FUTURE PLAN

Our future plan includes advancement and expansion of our educational programs and facilities. The enhancement of knowledge and skills is to be strengthened through introduction of more PG courses. Moreover, the college desires to empower the youth with practical skills and confidence. For this we plan to apply for more Add-on courses especially in Computer Applications, Nutrition & Health Education, Traditional Knowledge, Beautician & Beauty Care. The college is speedily working on starting new Skill-oriented vocational courses in Retail Management and Tourism & Hospitality at undergraduate level.

The future plan for the college is centered around development of infrastructural facilities offered to the students and the staff. This essential facility does not only support the functioning of campus but also provides staff and students the much-needed resources for effective teaching and learning. Under infrastructural development we are planning construction of a Multi-purpose Hall that will be used as a student activity complex. The foundation for this Hall has already been laid down. The building shall also house a spacious canteen.

In addition, our aim is to strengthen the sports facilities at the institution. For this we are planning expansion and renovation of the existing playground. The proposal to build an outdoor gym for workout has already been put forward. Besides this, our goal is to furnish the newly-built Administrative Block with the latest technology. Our plan for phased digitalization of the campus includes automation of the offices and Library and building more smart classrooms.

Collaboration is another area that the college desires to explore. We have already considered collaborating with nearby colleges and schools to foster “earning while learning” and benefit from Govt. initiatives like UBA (Unnat Bharat Abhiyan). Along with this we desire giving weightage to environment friendly practices like Rain water harvesting. It is an area where

the college shall definitely invest in the future. Along with this it plans to improve the drainage system of the campus.

Moreover, being an institution dedicated to upliftment and empowerment of its female students, we wish to support their endeavors at education through construction of an additional hostel. Along with this, the all-round fencing of the campus to avoid indiscriminate activities on campus shall also be taken up in future. The enhancement of students' quality experience at college has been envisioned as we consider establishing an astronomical observatory in the college. For it a telescope worth ₹ 55,600 has already been purchased on 12-11-2020. The experiential value of the auditorium is to be strengthened with the installation of 6 all-weather ACs and a video screen along with a professional projector.

Another aspect of our future planning is advancement of facilities that makes students more aware of the job opportunities offered to them by the contemporary world. For this we are working on equipping the Career and Guidance center with the needed hard- and software. Furthermore, to bring benefits to our immediate society we are planning to popularize and promote cultivation of natural herbs across the Rohru region. The college is preparing a project report on the same topic.

Our ambitious planning expands a step further as we explore the possibilities to open the Regional Center of HP University at the college. Our staff welfare initiatives include the renovation of existing staff quarters.

Moreover, to support our goals of infrastructural expansion that also includes building of type IV, III and II residences for the staff, we are constantly working on the process of acquiring an additional 56 bighas of land. Therefore, our plans for the future focus on continuous improvement of the facilities and resources that we offer to our students whose welfare is our supreme duty.

Jai Hind
