

5. Best Practices innovation & Institution Distinctiveness

5.2.1 Energy Conservation/ Use of Solar Energy

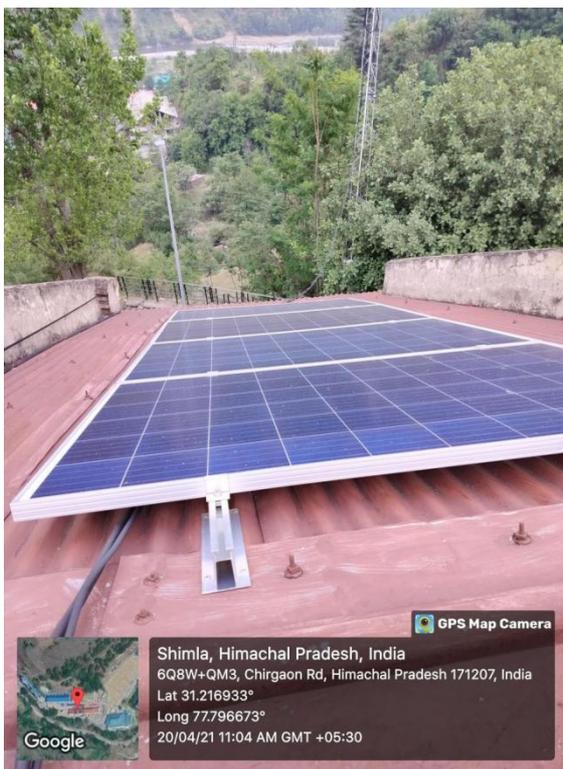

1. Detail of total Light sources in the campus: Majority sources (Bulbs & Tubes) are LED-based

Sr. No.	Electrical Devices	Numbers
1	LED Ceiling Panel Light (20w)	78
2	Normal Bulb	96
3	Normal Tubelights	180
4	. LED Bulb	295
5	Wall Shade (Old Bulb)	2
6	Chair Light (LED)	70
7	Street Light (Halogan)	2
8	LED Tubelights	385
9	Street Light (LED)	24
10	LED Ceiling Panel Light (7W)	130

2. Sensor-based solar light installed in Bio-toilets

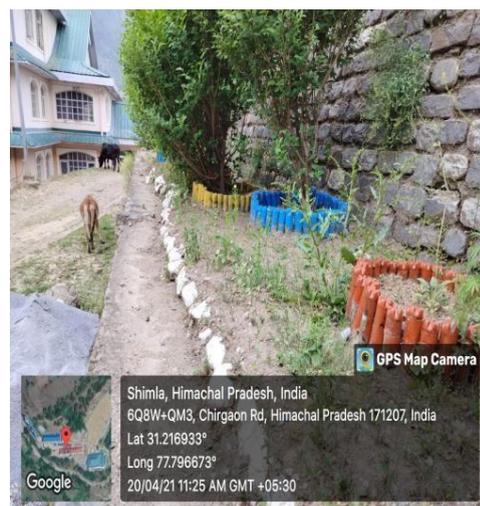

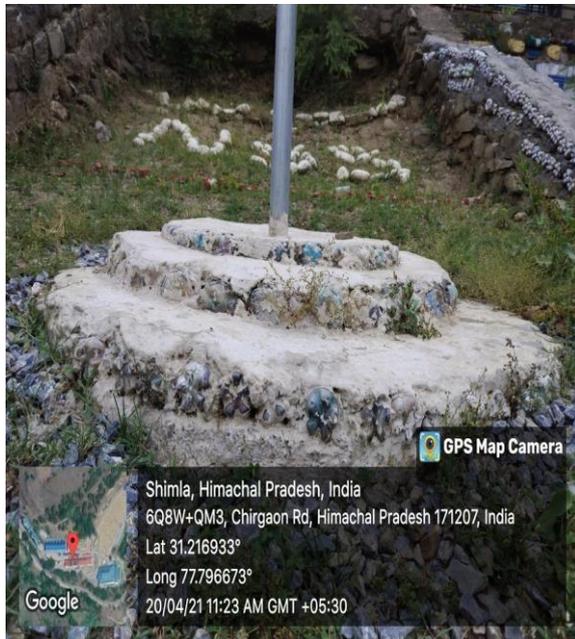

3. Solar Panels (30 KW) installed on roof tops of different buildings (Admn. Block, Art & Science Block, Boys & Girls Hostels) in the campus for providing round the clock clean power supply by harnessing solar energy

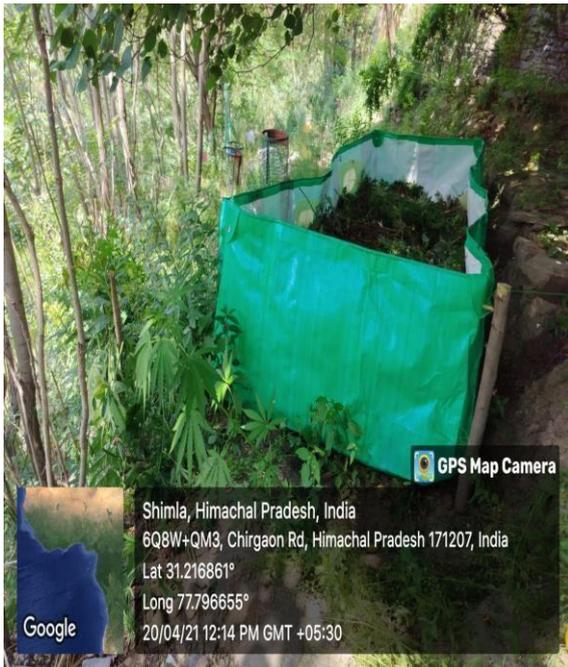

5.2.2 Solid Waste Segregation/ Management

WASTE MANAGEMENT INITIATIVES OF GOVT. COLLEGE SEEMA (ROHRU)

1. Reuse of plastic by NSS volunteers under waste to wealth concept plastic bottles filled with compacted plastic wrappers used as flower/plant beds and in concrete wall and flag pedestal

2. Sanitary pad incinerator and vermin-composting unit for management of sanitary pads and Organic waste.

3. Solid waste management: Separate wet and dry waste collection dustbin are placed in Campus.

4. Excess/Waste food of both hostels and mess is collected by local farmers for feeding their Cattle and leaves and other spoiled vegetables are vermin-composted.

5. Liquid waste of toilet is treated by consortia of microbial inoculums in bio-toilets (06 Nos.) & Autoclave is used to neutralize the microbes and their cultures used in laboratory before Releasing into nature to avoid any threat of microbial contamination.

5.2.3 Rain Water Harvesting and its Use for Gardening and Cleanliness

Water conservation facilities created by Govt. College Seema (Rohru)

1. Microbial inoculums based Bio-toilets with facility to recycle and render faecal WASTE (water recycling) of the toilets into odorless and “solid waste free” water that can be used for gardening.

2. Rain water harvesting storage units/tanks of administrative block and science & commerce blocks

3. Storage tank for excess water and rain water to avoid wastage and facility with bored well to recharge ground water under construction

5.2.4 Plastic Free Campus

The college adopted a Green Campus and Environment Policy in 2020 to promote a plastic-free environment. NSS volunteers have actively engaged in plastic segregation campaigns, raising awareness and managing single-use plastics.

- **Swachhata he seva campaing** Under the Intensive drive to avoid, aware and manage Single Use Plastic a series of awareness and management activities on 18/09/2024 to 30/09/2024 volunteers of National Service Scheme Unit Seema, together with the Municipal Council, Rohru, created awareness about cleanliness under the '**Swachhta Hi Seva**' program by going door-to-door in the entire Municipal Council and by visiting people in the market as 'Cleanliness Messengers' and 'Cleanliness Guards'.

The main objective of this program is to make the city residents aware of cleanliness.

- **Plastic Hatao Dharti Bachao Campaign** A campaign is being organized by the National Service Scheme Unit of R. V. S. Govt. college Seema to remove the big problem like plastic. Whose slogan is **"Plastic Hatao Dharti Bachao"** Under the campaign ,every effort was made to spread awareness about plastic in the society through various volunteer activities.

5.2.5 Blood Donation Camps

A blood donation camp was organized by NCC unit in our college with participation of all NCC cadets. 39 units of blood was collected by the medical team.

5.2.6 Adoption of Village/ Educational institutions

NSS unit organized a cleanliness drive at Campus of Devta Sahib Bakralu on 17-12-2024 and also helped temple committee is organizing different things before the start of Bhunda Mahayagya in December 2024. 100 Volunteers participated in it.

- **On the occasion of "International Yoga Day", this year too, under this year's theme "Yoga for One Earth, One Health", an awareness programme is being organised by the volunteers of the National Service Scheme unit of R. V. S. Govt. College Seema from 6 June 2025 to 21 June 2025 to make people aware of the benefits of Yoga.**

TO WHOM IT MAY CONCERN

Certified that trained NSS volunteers Ms. Nidhi Negi, Ms. Ankita and Richa of Govt. College Seema (Rohru) visited this institution on 12-06-2024 and demonstrated the Yoga asnas to all students. They also sensitized the students about the benefits of Yoga and exercise for healthy body and mind. The volunteers of NSS also taught the students the management of single use plastic at our household and institutional level for plastic free campus and environment.

I am thankful to NSS volunteers and their Programme officers Dr. Umesh Narta and Prof. Sandhira for organizing such useful outreach activities in our School and congratulate them for this initiative which they have started in different schools.

I extend team NSS best wishes and look forward to such collaborative outreach activities with them in near future as well.

With best wishes.

• Certificate

It is certified that the volunteers of the National Service Scheme unit of Government College Seema (Rohru) come to our school and make the children aware about yoga, transport, campus plastic waste prevention and movement. On many occasions, the children of our school are also invited to the college Seema, especially on International Yoga Day, due to which the children of our school get to learn a lot and they get inspired and motivated.

It boosts self-confidence. I thank the NSS unit for this work and hope that they will continue to provide such opportunities to the children of our school in the future as well.
