2. Pooling of vehicles

Vehicle pooling

Vehicle pooling has been encouraged among staff members and students for commuting between the college and the nearby town. This initiative aims to promote energy conservation by reducing the number of individual vehicles on the road. It also helps in minimizing environmental pollution and reducing traffic congestion in the surrounding areas. The practice supports sustainable transportation habits and reflects the institution's commitment towards environmental protection and responsible resource utilization. The list of vehicle pools is given below:-
