FROM THE PRINCIPAL'S DESK

Dear Staff, Students and Parents

It is with great joy and profound sense of responsibility that I resumed my role as Principal of Government College, Seema. As I step back into this esteemed position, I am reminded of the immense privilege it is to serve such a vibrant and diverse community.

Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world." It is with this sentiment in mind that I pledge to uphold the highest standards of academic excellence, integrity, and inclusivity within our institution.

To our students: You are the heart and soul of our college, and your pursuit of knowledge and growth inspires us all. Remember the words of William Butler Yeats, "Education is not the filling of a pail, but the lighting of a fire." Let us ignite that fire within you and empower you to reach new heights of achievement and personal fulfilment.

To our esteemed staff: Your dedication and passion for teaching are the cornerstone of our institution's success. Together, let us embody the words of Margaret Mead, "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." Let us work collaboratively to nurture the minds and hearts of our students, shaping them into compassionate and resilient leaders of tomorrow.

To our supportive parents: Your unwavering encouragement and partnership are invaluable in our mission to provide the best possible education for your children. As Albert Einstein famously said, "Education is not the learning of facts, but the training of the mind to think." Let us join hands in cultivating a nurturing environment where critical thinking, creativity, and curiosity flourish.

To our broader community: Your involvement and engagement are essential in creating a positive and enriching educational experience for all. Together, let us embrace the words of Helen Keller, "Alone we can do so little; together we can do so much." Let us forge strong partnerships and collaborations that benefit not only our students but also the larger community we serve.

As we embark on this journey together, let us remember the words of Maya Angelou, "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." Let us strive to create an environment where every individual feels valued, supported, and inspired to excel.

With gratitude and excitement for the journey ahead,

महाविद्यालय गान

जय-जय-जय-जय हो सीमा महाविद्यालय
जय-जय-जय-जय हो अपना महाविद्यालय
देव ऋषियों की पावन भूमि, सदियों से इसको नमन करें हम।
जहाँ पे सीमा भवन खड़ा है, कोटि कोटि प्रणाम करें हम।
सात सुरों की पुष्प माला, इसको अर्पित करें हम।।
जय-जय-जय.....

चन्द्रनाहन और चॉशल घाटी, स्वर्ग से सुन्दर चारों दिशाएं।
पब्वर नदी का बहता पानी, कल-कल, झर-झर संगीत सुनाएं।
सेबों के बाग-बगान यहाँ पर, इस भूमि की शोभा बढ़ाएं।।
जय-जय-जय.....

रंग-बिरंगे फूल खिले हैं, हर एक बालक अर्जुन कहलाता।
गुरु-शिष्य का परम है नाता, मस्तिष्क में ज्ञान गरिमा बढ़ाता।
देवों की भूमि अपना हिमाचल, प्रथम स्थान पर सीमा है आता।
आओ मिल जुल मंगल गाएं, शंख नाद शहनाई बजाएं।।
जय-जय-जय.....

नि रे ग ऽ, ग ग ग, नि रे मे मे मे ये, -2
सां-सां नि घ प मं ग रे सां।
जय-जय-जय-जय हो सीमा महाविद्यालय
जय-जय-जय-जय हो अपना महाविद्यालय

1. THE COLLEGE

Govt. College, Seema perched in the lap of a world famous Chanshal Valley Rohru in District Shimla of Himachal Pradesh and surrounded by Snow- draped Himalayas and thick pine grove forests complemented with the benign presence of Pabbar River displays a magnificent picturesque of nature's craft. It holds a majestic picturesque view and salubrious climate and congenial atmosphere ideally suited for higher studies and excellent results. Fusion of Learning with Nature's artistry endorses Govt. College, Seema as an ideal destination for academic romance. It is located at a distance of 6 kilometers from Rohru, the prominent town of the area.

In 1988, with meagre strength of sixteen students, Govt. College, Seema embarked on its new tryst with destiny having engraved motto in its heart to "Bring Transformation through Education". 'A Dream-an Urge' was there to cater a stage to the 'Pahari talent' whose echoes were earlier unheard to the world due to the lack of Higher Education in the close locale. Out went the geographical, economic and social backwardness, not surprisingly, faster growth soon followed. Now, this college has emerged as a fully-fledged institution, having Humanities, Commerce, Science, BCA, BBA, PGDCA, Vocational Courses, IGNOU, and various Add-on Courses as major streams of learning. The present College Campus is spread over an area of approximately 3.35.94 hectare, having excellent existing infrastructure like Administrative Block, Arts & Science blocks, Auditorium- cum- Library, Girls & Boys hostels, Playground, Staff Quarters and other supporting infrastructure. The college is expanding its wings slowly and slowly and it is still in growing stage.

Our college is among the very few colleges in Himachal Pradesh to receive a grant of one crore under Swaran Jayanti Utkrisht Mahavidyalaya Yojna-2022, to improve the facilities to become Centre of excellence. This amount is spent on upgrading the infrastructure, campus beautification, books, computers and strengthening research and career counselling. A Centre of integrated mountain studies has also been established to give emphasis on research.

The immortal line by Alfred Tennyson, "the old order change, yielding place to new" reflects the vision of the college founders, dreamers, promoters and executors to rigorously 'Step-ahead,' for adding more successful years to the plethora of its golden journey. In present times, a paradigm change is being felt at each aspect of the educational progress. There are enormous geographical, social, and economical challenges; however, growing consistently would require a single-minded consensus about the primacy of education with the clear understanding that with education, it is possible to remove illiteracy, gender imbalance, poverty and deprivations due to marginalization on the basis of caste, class, gender, region, ethnicity etc. that the majority of people suffer from. We strongly believe that students are valuable assets, "the higher they go; the higher goes their Alma mater". Our college ensures quality higher education for the future generations as a key to unlock the golden door of freedom and a way to become promised citizens of land. Govt.College Seema is presently known for its academic excellence, intellectual vigor, cultural and moral sensitivity. Today, college has privilege to flaunt various feathers in its cap replicating a rainbow of cultural and social values of 'Pahari Tradition.' However, no institution can rest on its laurels- and who knows it better than we Indians! Whether it is in terms of talent, we need time to demonstrate to the world what we can achieve given the right environment and policy framework. Govt. College, Seema unnoticed and yet to be articulated by the Indian academia and thought Leaders has entered into a phase where there are signs of its potential for excellence in the field of higher education. At present the college is having all modern facilities for teaching which includes smart classrooms, Wi-Fi facility, well stocked library, Inflibnet facilities, well equipped Science labs, IT labs, Language Lab and Career Counselling Lab and many more. To enhance creative and sporting skills of the students the college is having an auditorium and a big play ground. To provide boarding facilities to the students from far flung areas the college provides good hostel facility for boys and girls.

With the extra-ordinary and untiring efforts of all in the college in the midst of its fabulous legendry saga with solid cultural roots and evolutionary strengths, is passionately stepping ahead towards achieving new zenith of Education making this wonderful journey an- '**Unstoppable Voyage.**'

2. THE COLLEGE EMBLEM

An "Open Book" and the "Rising Sun "The Open book symbolizes the learning whereas the Rising Sun symbolizes that education will lead the people from darkness to light, ignorance to knowledge; from unknown to known paths. The open book also communicates the message that the education shall be made available to all those who were deprived of it so far. The concept of the current logo is based on a line from the Sanskrit shloka :Tejasvi navadhitamastu. This line, derived from the peace invocation of several Upanishads, translates as: "Let our (the teacher and the taught) learning be radiant".

ॐ सह नाववतु ।
सह नो भुनक्तु ।
सह वीर्यं करवावहे ।
तेजस्विनावधीतमस्तु मा विद्विषावहे ।
ॐ शान्तिः शान्तिः शान्तिः ॥

Let us together be protected and let us together be nourished by God's blessings / Let us together join our mental forces in strength for the benefit of humanity /Let our efforts at learning be luminous and filled with joy, and endowed with the force of purpose/Let us never be poisoned with the seeds of hatred for anyone / Let there be peace and serenity in all the three universes... - Invocation from Taittiriya Upanishad

17. NEW CHOICE BASED CREDIT SYSTEM AS PER UGC INSTRUCTIONAL TEMPLATE (FOR Annual System)

NOTE: AS PER HPU NOTIFICATION NO. 2-1/20126-HPU (ACAD.) DATE 4/6/2016 EXECUTIVE COUNCIL OF HIMACHAL PRADESH UNIVERSITY HAS APPROVED AND DECIDED TO ADOPT NEW UGC, CBCS IN TOTALLY AT UNDERGRADUATE LEVEL FROM ACADEMIC SESSION 2016-17. FOR DETAILED REGULATIONS VISIT/CHECK HPUWEBSITE i.e. <https://hpuniv.ac.in/>. HOWEVER, FOR THE CONVENIENCE OF THE STUDENTS SEEKING ADMISSION IN THE COLLEGE THE ABSTRACT OF THE INSTRUCTIONAL TEMPLATE OF UGC CBCS IS GIVEN HERE. FOR EXACT INFORMATION THE STUDENTS ARE ADVISED TO KEEP IN TOUCH WITH HPU AND COLLEGE AUTHORITY FOR LATEST INFORMATION.

17.1 Background / Preamble:

Education plays enormously significant role in building of a nation. There are quite a large number of Educational Institutions engaged in imparting education in our country. Majority of them have entered recently into semester system to match with international educational pattern. However, our present education system is churning out youth who have to complete locally, regionally, nationally as well as globally the present alarming situation necessitates transformation and/ or redesigning of system, not only by introducing invocation but developing “learner-centric approach.”

17.2 Advantages of the Choice Based Credit System

- Shift in focus from the teacher-centric to student-centric education.
- Student may undertake as many Credits as they can cope with (without repeating all 1 course in a given semester if they fail in one/ more courses.)
- CBCS allow students to choose inter-disciplinary, intra-disciplinary courses, skills oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students.
- CBCS makes Education Board-based and at par with Global standard. One can take credits by unique combinations. For example, physics with economics, Microbiology with chemistry or environment science etc.
- CBCS offers flexibility for students to study at different times and at different institution to complete one course (easy mobility of students). Credits earned at one institution can be transferred to another institution

17.3 Choice Based Credit System (CBCS):

These courses aim to provide a Paradigm shift in the national education policy seeking to bridge and increasing gap between an undergraduate degree and employability. The purposed curriculum and diverse to empower the student and help them in their pursuit for achieving overall excellence. Being the regulatory authority for higher education in India, the UGC constantly engages itself to suggest and facilitate the implementation of schemes and programmes, which improves not only the level of academic excellence but also improve the academic and research environment in this country. The main feature of the CBCS isto make undergraduate education students centric rather than system centric or teacher centric. For achieving these objectives,the CBCS strives to create a holistic syllabus. Thus in addition to dedicated focus on a discipline through core papers weather in an honours curriculum or regular curriculum, elective papers have been added which will give student the freedom to choose the allied / applied / board areas of their discipline and also the areas of other disciplines of their interest. Further in keeping with the vision of the Government, special emphasis has been giving to ability enhancement and skill development of students through elective course under these domains which every student is required to study.

17.5 Outlines of Choice Based Credit System

1. **Core course:** A course, which should compulsorily be studied by a candidate as a core requirement is termed as a core course.
 2. **Elective course:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope of which enables an exposure to some other discipline/ subject/ domain or nurtures the candidate’s proficiency/ skill is called an elective course
- 2.1 **Discipline Specific Elective (DSE) Course:** (4 for Honours courses and 2 each for regular courses): Elective courses offered under the main discipline/ subject of study is referred to as Discipline Specific Elective. The list provided under this category are suggestive is nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. The University/ Institute may also offer discipline related Elective course of interdisciplinary nature (to be offered by main discipline/ subject of study).

2.2 Dispersion/ Project*: An elective course designed to acquire special/ advanced knowledge, such as supplement study/ support study to a project work and a candidate studies such a course on his own with an advisory support by a teacher/ faculty member is called dissertation/ project.

2.3 Generic Elective (GE) Course: (4 for Honours courses and 2 each for B.A./ B.Com. regular courses): An elective course chosen from an unrelated discipline/ subject, an intention to seek exposure on discipline of choice is called a Generic Elective. The purpose of this category of paper is to offer the students the option to explore disciplines of interest beyond the choice they make in Core and Discipline Specific Elective Papers. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

Note: A core courses offered in a discipline/ subject may be treated as an elective by other discipline/ subject and vice-versa and such electives may also be referred to as Generic Elective.

3. Ability Enhancement Course(AEC):

The Ability Enhancement (AE) Course may be of two kinds: Ability Enhancement Compulsory Course (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to knowledge enhancement; i. Environment Science and ii. English/Hindi/ MIL Communication. These are mandatory for all disciplines. SEC course are value-based and /or skill based and are aimed to providing hands-on-training competencies, skill etc.

3.1 Ability Enhancement Compulsory Course (AECC):

Environmental Science, English communication/ Hindi communication and MIL communication

3.2 Skill Enhancement Course(SEC): (Minimum 2 for honours courses and 4 for regular courses): These courses may be chosen for a pool of course is designed to provide value-based and/ or skill based knowledge and should contain both theory and lab/ hands on-training/ field works. The main purpose of this course is to provide student life skill in hands-on-mode so as to increase their employability. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

4. Practical Tutorials: (One each with every Core and discipline/ generic specific elective paper): The list of practical provided is suggestive in nature and each University has the freedom to add/ subtract/ edit practical from the list depending on their faculty and infrastructure available. Edition will however be similar nature

***Introducing research component in undergraduate courses**

Project Work Dissertation is considered as a special course involving application of knowledge in solving/analyzing/ exploring a real life solution/ difficult problem. A Project/ Dissertation work would be a 6 credit. A Project/ Dissertation work may be given in leave of a discipline specific elective paper.

17.6 Implementation:

- For the introduction of AE Course, they are divided into two categories:
 - AE Compulsory Courses:** There will be two papers in the 1st year of course viz. (i) English/ Hindi/ MILL Communication, (ii) Environmental Science.
 - Skill Enhancement Courses:** The University shell decided the paper it may want to offer from a common pool of papers decided by UGC or the university may choose such paper themselves in addition to the list suggestive by UGC. The university may offer two papers for each year in 2nd& 3rd year of these courses
- The number of seat for elective paper as per the faculty and infrastructure available is limited to 80 Per-section/ class.
- An undergraduate degree with honours in a discipline may be awarded if a student completes 14 core papers in the discipline, two ability Enhancement Compulsory Course (AECC), minimum two Skill Enhancement Course (SEC) and four papers each from a list of Discipline Specific Elective and Generic Elective papers, respectively.
- An undergraduate degree in Science discipline may be awarded if a student completes four core papers each in three disciplines of choice, two Ability Enhancement Compulsory Courses (AECC), minimum four Skill Enhancement Course (SEC) and 2 papers each from a list of Discipline Specific Elective papers based on three disciplines of choice selected above, respectively.
- An Undergraduate degree in Humanities/ Social Science/ Commerce may be awarded if a student completes four core papers each into disciplines of choice, to Core Paper each in English and Hindi/ MIL, respectively, two Ability Enhancement Compulsory Courses (AECC), minimum for Skill Enhancement Course (SEC), two papers each from a list of Discipline Specific Elective paper based on the three disciplines of choice selective above, respectively.
- For the purpose of computation of work-load the following mechanism may be adopted)
 - 1 Credit = 1 Theory period of one hour duration
 - 1 Credit = 1 Tutorial period of one hour duration
 - 1 Credit = 1 Practical period of two hour duration
- The Credits for each theory and practical, tutorials dispersion will be as per details given below in A & B, For B.Sc and. B.A/ B.Com.

- I. Continuous Comprehensive Assessment
- II. End Semester Examination

(I) Continuous Comprehensive Assessment (CCA) –

This will account for 30% of the mark for the final grade and CCA would have following three components.

- (a) **Classroom Attendance:** - In this component, each student will have to attend a minimum of 75% lectures/ Tutorials/ Practicals. A student has less than 75% attendance will not be allowed to appear in the End Term Examination (ETE), the mark of attendance will be varying from 1-5 depending upon lecture attendant as shown below:

$\geq 75\% \text{ but } < 80\%$	1 Marks
$\geq 80\% \text{ but } < 85\%$	2 Marks
$\geq 85\% \text{ but } < 90\%$	3 Marks
$\geq 90\% \text{ but } < 95\%$	4 Marks
$\geq 95\%$	5 Marks

- (b) **Mid-term (minor) Test-** This component consists of one mid-term test which will be inducted after completion of two-third syllabus, this mid-term test will be of 15 marks new patterns.
- (c) **Seminars/Assessment/ Term Rapper/ Quiz / Presentation-** This component of the CCA will be of 10 marks.

Note: Each student will have to secure at least 35% marks in CCA to be eligible to appear in End Term Examination.

(II) End Term Examination ETE

- (a) The Term Examination End TEE consists of 70% marks for Arts and Commerce in new patterns.
- (b) For Science Subjects practical it consists of 50% marks (theory) and 20% marks (practical) for new patterns.
- (c) As per the notification issued by Himachal Pradesh University on dated 17-4-2017. The mark scheme for the science faculty (New pattern) will be as under:
- i) Theory 50 marks
 - ii) Practical 20 marks & iii) CCA 30 marks
- (d) The Term Examination End TEE will be of 3 hours' duration covering the whole syllabus of the course.
- (e) For the Annual system TEE will be held in the month of March/April and supplementary examination of the same system will be held in the month of September/October.

Note: The CBCS regulation is subject to change as per the amendments made by HPU from time to time.
