Warden's Message

I feel delighted to welcome and address the aspirant boarders of Jubilee Hostel (Boys) of Government Post Graduate College Seema (Rohru). The Jubilee Hostel (Boys) of the college besides studies has been an epicenter of diverse activities like cultural, sports, theatrical, and social services and has become a cradle of quality sportsperson, theater artists, cadets and social workers who have brought laurel at State and National level to the College and the region. The hostel life of student is an integral part of their life where they live an independent life away from their parents and guardians, make new friends, expand their horizon of activities and learn to make their own decisions. In the hostel, we not only strive to provide its boarders neat and clean environment and comfortable place to live in, but also encourage them to live in discipline as we believe in the philosophy that the cost of discipline is always less than the price of regret, and we also try to inculcate values like dignity of labour, competitiveness with co-operation, brotherhood and nationalism in our boarder. Boarders play key role in management processes as borders are nominated as in-charges for various activities (e.g. mess, common room affairs, cultural etc.). Living in a hostel demands high degree of integrity, consciousness, co-operation, tolerance and hard work for a purposeful stay to ensure a bright future for one's own self and good image of our institution. I am sure you all would enjoy your stay and would be able to come out as a responsible and enlightened citizen of India. Being a 'Jubilians' one can explore as much as they want in various fields of their college life. I am glad to welcome the new students to the jubilee family for the session 2024–25 and believe that the disciplined and well- ordered environment of the hostel will prove to be a facilitator in your endeavor to strive towards excellence in life.
