

2. THE COLLEGE EMBLEM

An "Open Book" and the "Rising Sun "The Open book symbolizes the learning whereas the Rising Sun symbolizes that education will lead the people from darkness to light, ignorance to knowledge; from unknown to known paths. The open book also communicates the message that the education shall be made available to all those who were deprived of it so far. The concept of the current logo is based on a line from the Sanskrit shloka : Tejasvi navadhitamastu. This line, derived from the peace invocation of several Upanishads, translates as: "Let our (the teacher and the taught) learning be radiant".
