

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Govt. College, Seema perched in the lap of a world famous Chanshal Valley Rohru in District Shimla of Himachal Pradesh and surrounded by Snow- draped Himalayas and thick pine grove forests complemented with the benign presence of Pabbar River displays a magnificent picturesque of nature's craft. It holds a majestic picturesque view and salubrious climate and congenial atmosphere ideally suited for higher studies and excellent results. Fusion of Learning with Nature's artistry endorses Govt. College, Seema as an ideal destination for academic romance. It is located at a distance of 6 kilometers from Rohru, the prominent town of the area. Infrastructure overview of the College is as bellow:-

Figure: Front of Administrative Block, Science, Arts Building and Auditorium Building of Govt College Seema Rohru

In the Administrative Block ground floor, principal office, IQAC office, Administrative office for grade one superintendent, grade – two superintendents, senior assistant, assistant, university store, university session for dealing assistant, nursing office, toilets and washrooms for male and females, all are quipped with necessary items/ gazettes. In the first floor of the building, there are 36 cabins for teachers for preparing lectures and completed other assigned works. Additionally in this floor office of B.Voc department and department of fashion design are there. In this floor washrooms/ toilets are there for male and female staffs. In the second floor there are four lecture rooms in which two are smart class rooms and other two are normal smart class rooms quipped with latest IT tools and best furniture. Girls Common room are also there equipped with best furniture and other necessary items. Separates toilets/ washrooms for girls and boys are there on the second floor. In the third floor similar as on the second floor, classrooms are there with CSCA room and toilets/ washroom facility. In the last floor there is examination hall having capacity of 250 students at a time. Shooting range also installed on this floor. Controller of examination office is there equipped with necessary gazettes/items.

In the auditorium building, there is auditorium with 1000 seating capacity and on the one floor of this building library of the college is there, having seating capacity in general section 120, career counselling section 40 and e- library/ digital library section having 30 seating capacity.

Figure: Science Building, Old College office and top building overview of the Govt College(Seema Rohru)

In the Science building ground floor, there are two departments in which one is physics and other geography, both department having lecture hall with labs and faculty rooms. All are equipped with best furniture with latest practical gazettes. Toilets/ Washroom is there for the students. On the first floor other two department of science are there in which one is Botany and other zoology, having the same facility as on the ground floor of this building. On the third floor of this building again there are two departments, namely mathematics and chemistry, both departments having smart class room equipped with latest IT gazettes. Smart classroom of mathematics equipped with mathematical reasoning lab and career lab for the students of the college.

In the arts block building there are four computer labs equipped with 124 computers for BCA/ PGDCA / BBA departments specially, One lab cum lecture room for HPKVN department, two smart classrooms with one other class room for B. Com/ M.Com/ B.Voc departments. One Faculty room and one practical cum class room of music department. One conference hall equipped with latest IT gazettes with live conferencing facilities. In the ground floor well-furnished staff room, dean of planning office, history faculty room, NCC/NSS/Rover Rangers offices are there. Department of physical education are there equipped with smart IT gazettes and sports items.

In the campus of the college one another building is there for the sports activities, buildup by RUSA. In this building changing rooms for sports person separately for boys and girls are there with toilets/ washroom facility. There is 50 person seating capacity is there. The name of this building is Pavilion. College has two hostels, one for girls having 120 seating capacity and one for boys having 90 seating capacity.
