

# About the Organizing Institution

RVS Government College, Seema, is perched in the lap of the world-famous Chanshal Valley in Rohru, District Shimla, Himachal Pradesh. Surrounded by the snow-draped Himalayas and dense pine grove forests, and complemented by the serene presence of the Pabbar River, the college presents a magnificent and picturesque example of nature's craftsmanship. It offers a majestic landscape, a salubrious climate, and a congenial atmosphere ideally suited for higher education and academic excellence. The fusion of learning with nature's artistry establishes RVS Government College, Seema as an ideal destination for academic pursuits. The college is located at a distance of 6 kilometers from Rohru, the prominent town of the region.

Established in 1988 with a modest strength of sixteen students, RVS Government College, Seema embarked on its journey with a clear vision and the motto, "Bring Transformation through Education." It emerged from a deep aspiration to provide a platform for the 'Pahari talent,' whose potential had long remained unrecognized due to the lack of higher education facilities in the region. Gradually, the barriers of geographical isolation, economic limitations, and social backwardness began to diminish, paving the way for steady and progressive growth.

# About the FDP

The Faculty Development Programme (FDP) on "Decoding the NAAC Binary Accreditation Framework (10 attributes), Overview of the maturity based five level grading model" & Implementation of NEP 2020 in Himachal Pradesh is organized and hosted by RVS Government College Seema (Rohru) in collaboration with cluster colleges, namely LBS Government Degree College Saraswatinagar, Government Degree College Tikkar, and DAV Centenary College Kotkhai.

The programme aims to provide a focused platform for educators and academic leaders to gain a comprehensive understanding of the latest NAAC accreditation framework, with particular emphasis on outcome-based evaluation, institutional transparency, and data-driven quality assurance. It also seeks to deepen participants' understanding of the key dimensions of NEP 2020, including flexible and multidisciplinary curricula, skill-based education, and the implementation of the Academic Bank of Credits (ABC). It is designed to equip participants with practical strategies for institutional transformation, effective governance, and continuous quality enhancement, thereby ensuring preparedness for the evolving NAAC accreditation process.
